Doing Wonders in France, but There Is Need of Big Drive at Home.

WITH THE AMERICAN ARMY IN FRANCE, Feb. 25 (United Press) .-America needs a spring drive at home to aid her army in putting over

A portion of the American forces have now completed a month in the trenches of the American sector. The officers and men are not worrying about the Germans. They are learning all the tricks of the war game. But from the front, America seems closer to the tranches than the trenches seem to the Americans at

from the trenches to every American home. It runs through the office of Gen. Pershing, on long communication lines across the Atlantic to the

Pershing received the United Press correspondent in his office at headquarters, following his return from an Inspection at the front. Cleareyed, earnest and firm, except for his uniform, the General might have appeared to be the head of some great corporation directing peaceful pur-Chief of America's greatest army.

The General appeared in excellen physical trim-the typical American leader. He was dictating a mass of orders and correspondence with swift precision. The sunshine poured in through the windows, through which drifted sounds of activities outside.

A flat-topped deak placed in the centions run roads, raliroads, telegraph Pathe Exchange, Inc. and telephone lines. These knit together the American Army, from its has thrilled millions, yielded a profit
